Dear Business Sponsor,

SFBT is moving soon to the Emerald Hills Area, and we need your support...

About Us... The South Florida Ballet Theater (SFBT) a non-profit Hollywood based art organization that has been dedicated to bringing excellence in classical ballet training and performances to the South Florida communities since 2002. In addition to our pursuit of its education and performance missions, and through its affiliated Apprentice Ballet School, it also targets low income and at- risk children, who are often referred by social service agencies.

The wonderful work that this Company does on behalf of the young people through its affiliated dance school, and the many professional dancers that it sustains through its performances would not be possible without the generous support of our private and corporate sponsors. Considering the annual funding cutbacks from the Broward County Cultural Arts Division, and other setbacks brought on by the pandemic, your support will help to ensure that the performing arts and the professional classical ballet artists continue to survive in these trying economic times. Your support will benefit the children dance team as well as the many underprivileged students who are beneficiaries of the affiliated dance school. It will also help to ensure the continued cultural enrichment of our communities in South Florida.

In grateful recognition of your tax-deductible contribution, the South Florida Ballet Theater will gladly award the following exclusive sponsor privileges: Director Circle tickets to SFBT Gala performances, personal and business recognition, advertising in our beautiful playbill, and posters and T-shirts for the upcoming performances and more to be staged at the Broward Center for the Performing Arts.

Below are the six sponsorship levels to choose from:

Sapphire Sponsor \$ 250-1/4 Page Ad, & 2 VIP Performance Season Tickets

Diamond Sponsor \$ 2,500- Full Page inside Back Cover Ad, 8 VIP Performance Tickets

Gratefully,

Lynda DeChane
